PART 2: Event Information

Please note: The Scholarship criteria dictates that scholarship award is intended for education towards an assessment or accreditation. It will not be applied for required continuing education, DEVO squad try-outs or assessments themselves. However, applicants may receive an award for the first day of a Level 1 assessment up to but not exceed the equivalent of one-day clinic.

Applicants may apply for assistance toward one educational event in one discipline per year.

Beginning in the 2012-2013 season the Scholarship Committee will apply the following guidelines:

Candidates pursuing,

- a Level 1 in their primary discipline or may receive support up to but not exceeding the equivalent of 1 of day clinics*
- a Level 2 may receive support in their primary discipline up to but not exceeding the equivalent of 2 days of clinics*
- a Level 3 may receive support in their primary discipline up to but not exceeding the equivalent of 3 days of clinic*
- Supplemental education outside their primary discipline may receive support up to but not exceeding 1 day of clinics*

The criteria was developed by the Scholarship Committee, a sub-committee of the Snowsports Instructor Representative Committee (SIRC) If you have questions or concerns please contact the committee at admin@psia-i.org.

Scholarship Fund Recipient Edge Article - Optional and Greatly Appreciated

I accept the responsibility of submitting an article (about 400-500 words) to the *Edge* within one month after the event I attend as a PSIA-I / AASI-I scholarship recipient. The article will reflect a special experience or inspiring moment that occurred at the event I attended. I understand that this article will run at the discretion of the *Edge* editor.

I further acknowledge that the scholarship I have been granted has been made possible by the funds received at the Spring Clinic Auction. I will do my best to gather donations for the upcoming Spring Clinic Auction so that others may have the same scholarship opportunities in the future.

Additionally I acknowledge that in the event I receive award of scholarship funding this season I will not be eligible to apply for scholarship funding again until 1 full season has passed.
