

PSIA/AASI Intermountain **Board of Directors Election**

Applications to run for the Board of Directors are Due Feb 15, 2020.

Here is some information about the Board and about the election process to help you decide if you would like to run for a seat

What do they do?

The Intermountain Division Board of Directors consists of PSIA-AASI members who volunteer their time and expertise to the board. They are responsible for the strategic management of our nonprofit corporation. Board members represent the PSIA-AASI membership. They represent their ski schools and the Inter- mountain Division. The board operates following our Policies and Procedures along with our Bylaws.

What should members want and need from their Directors?

We all want a board member who has passion for the organization, a willingness to volunteer their time, and the desire to be a leader. A board member should have a team-oriented attitude. The board member works to speak with one voice for the entire board.

What does the board Do?

The board meets three times a year in the Salt Lake City vicinity (summer, fall and spring). Beginning with the summer meeting, there is a strategic planning session that reviews membership data such as event and exam data, and financials of the organization. This is a fact-based assessment of our financial stability and a review of the membership's needs. The board also reviews and revises policies as needed. The board is also fun! We plan the Spring Clinic, discuss new ideas for education, work with the National organization, and overall learn how our organization that we belong to runs!

Great, you want to run for a BOD position! Here is the Process:

Applicants must be Certified Level 1, 2, or 3 members, in good standing, of the Intermountain Division.

Applicants must be endorsed, in writing, by five certified members in good standing in the division.

Applications are to be received in the office via email at admin@psia-i.org or postmarked by February 15.

Applicants must submit a photograph no smaller than 2”x 2.”

Applicants must submit a short biographical paragraph, which includes your certification education, past/present employment, years of membership, and why you want to be on the board. This will be published so that members can know you better and vote.

If running for a regional position, you must be employed by the snow- sports school identified in that region

Voting for regional candidates will be by IMD PSIA-AASI members in good standing in that region
